

## THE SIGNING CEREMONY OF MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN ASSOCIATION OF KOREAN DERMATOLOGISTS (AKD) AND VIETNAMESE SOCIETY OF DERMATOLOGY AND VENERELOGY (VSDV)

### Dr. Tran Hau Khang - President of the VSDV

The Vietnamese Society of Dermatology and Venereology was officially founded in 1975. Today, it has nearly 1000 members from all over the country. The Society's main objectives are to advance knowledge and practice, to promote research, to strengthen regional and international collaboration and to organize national/international scientific meetings/conference/congress...on dermatology and venereology. In addition, the VSDV undertakes many charitable activities to support deprived populations and assist people in disaster events. Recent two decades the society has professionally developed with several prominent achievement in the fields of high techniques: Stem cells, LASER therapy, Phototherapy, Cosmetic and Reconstructive surgery...

On the occasion of the Korean Derma 2019, the organizing committee hold the Signing Ceremony of Memorandum of Understanding (MOU) between the AKD and the VDDV. The MOU aims to build a sustainable partnership between the two sides focusing on the following five key areas:

1. Work together in good faith to coordinate within the scope of the agreement.
2. Exchange scientific and technical information as may be appropriate.

3. Exchange of personnel in areas mutually agreed upon by both sides.

4. Support reciprocity in society extension activities of common interest.

5. Organize joint symposium or panel discussion as the symposium of each side along with the conference and other professional meetings of common interest.

On behalf of the Association of Korean Dermatologists, Dr. Suk Min Kim, President of the AKD congratulated the Signing Ceremony of the cooperation between two sides. He emphasized that the MOU signing ceremony represents the development of cooperative relationship on Dermatology between Korea and Viet Nam.

***Dr. Suk Min Kim and Dr. Tran Hau Khang in the Signing Ceremony***

***Dr. Tran Hau Khang expressed his speech in the Signing Ceremony***

Dr. Khang was very honored to express his profound gratitude to the president of the AKD, Dr. Suk Min Kim and his colleagues, the members of the AKD Board for their hospitality and generosity.

***Dr. Kim SM, Dr. TH Khang and the Member of the AKD Board***

Dr. Kim and Dr. Khang engaged fully in the cooperation of the term of the partnership. They strongly believe the cooperation between the AKD and the VSDV will be professionally developed on the fields as mentioned in the MOU.
